

Our ACA Reporter Partnership Program allows you to provide your clients with a complete Affordable Care Act (ACA) compliance solution

Benefits from a Points North Partnership:

Grow your revenue and expand your service offerings

Leverage expertise from Points North's ACA Team

Support companies with complex requirements, multiple locations, and historical filings

Grow your product functionality and flexibility

Deliver more value to customers

Seamless onboarding process with dedicated support

Types of Partnerships

Reseller

Create a new revenue stream supported by our comprehensive training for your internal teams, resources to get you ready for ongoing implementations, and best practices to get running quickly.

Integration

Improve the functionality of your solution by becoming an integration partner. We will help you streamline your process with support from our experienced ACA Team. No hassle, all growth.

Referral

Bring more value to your customers while being fully supported by our expert implementation specialist and customer service team.
