

NOW AVAILABLE:

Quick and easy prevailing wage reporting at the federal, state, and municipal level – *seamlessly integrated* with Paycor time and payroll

How it Works

Points North's Certified Payroll Reporting platform supports an automated, real-time integration with Paycor payroll and time solutions. **Employee details, hours worked by day, paycheck values, and more flow seamlessly from Paycor into Certified Payroll Reporting, allowing for the instant generation of any required certified payroll reports after the completion of each pay period.**

PAYCOR CLIENTS CAN NOW:

Stay in Compliance with Government Requirements

- Instant access to federal, state, and municipal report formats (both PDF and electronic exports) that are kept current and compliant by the Certified Payroll Reporting platform.

Prepare to Generate Certified Reports

- Store and manage prevailing wage rates and fringe data at an employee, project or work classification level.

Cloud-Based Data Storage

- Easily access historical reports from any prior pay period generated by Points North – indefinitely and in current formats.

Easily Send Reports to Government Agencies

- Generate certified payroll reports – and email them where they need to go – directly from the Points North platform.
